

WARREN SHIRE COUNCIL

# Have Your Say!

## STRONGER COUNTRY COMMUNITIES FUND

The NSW Government is investing in infrastructure to support regional communities. The first of six funds to be released is to support regional councils improve local infrastructure such as pathways and playgrounds. (Note: Construction and maintenance of roads and road bridges are excluded from consideration for grant funding.) Based on the feedback from previous community surveys and studies, 3 proposed projects are being considered by Warren Shire Council.

## PROPOSED PROJECTS

**Project 1** - Pedestrian and Cycleway Bridge Linking Lawson Street to Victoria Park.

**Project 2** - Pathways and Cycleways around Warren.

**Project 3** - Macquarie Park Revitalisation
