

Anzac Day 2025

Friday 25 April

Invitation to Participate in Wreath Laying and ANZAC Day March

On Friday 25 April 2025, ANZAC Day will be commemorated with a Dawn Service commencing at 6am and a full service commencing at 11am.

Groups, associations and individual members of the public are invited to lay a wreath as part of the 11am service to be held at the Warren Cenotaph on ANZAC Day.

All servicemen and women, community groups, community members, visitors and students who are studying locally and away are also invited to participate in the ANZAC Day March that will commence at 10.55am from the Warren Services Club.

For the purpose of arranging the ANZAC Day March and wreath laying order, community groups are requested to notify Warren Shire Council on 02 6847 6600 of their intention to lay a wreath or participate in the March.

Individuals wishing to lay a wreath on the day are welcome to do so and do not need to notify Council.

It would be appreciated if organisations, groups and individuals could arrange their own wreaths this year as there is only a limited supply.
