

NEW RESIDENTS GUIDE WARREN NSW

A great place to put down roots.

A place to build a future, find your people and make a life of your own.

WELCOME TO WARREN

WHY WARREN?

*Come for the lifestyle.
Stay for the people.*

**WHAT IF A SMALLER TOWN
GAVE YOUR FAMILY MORE?**

Room to grow. Room to breathe. Room to belong.

WHERE YOU LIVE SHAPES THE LIFE YOU GET TO LIVE.

And sometimes, a smaller town can give a family more of it.

WHY CHOOSE WARREN?

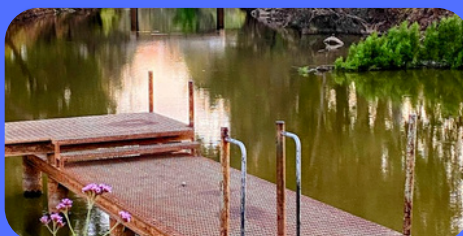

Choosing where to live is about more than choosing a house. It is choosing how your mornings begin, how your weekends feel, where your children grow up and the people who will become part of your story.

Warren gives you the opportunity to build a future without giving up the present. You can build a career, raise a family, spend time outdoors, join a club and still have time to enjoy the life you're building.

PEOPLE WHO SHOW UP.

Sport, events, volunteering and everyday life bring people together. Over time, familiar faces become friendships, and a new town starts to feel like home.

MORE ROOM FOR LIFE.

Sport, Outdoors. Time together.

Less rushing. More living. More moments that become memories.

**MORE ROOM FOR YOUR FUTURE.
MORE PEOPLE TO SHARE IT WITH.**

CHOOSE WARREN

*Come for the lifestyle.
Stay for the people.*

GETTING SETTLED

A new town. A new home.
A new beginning.

**STARTING AGAIN TAKES
A LITTLE COURAGE.**

You don't have to have it all worked out on day one.

THERE IS SOMETHING BRAVE ABOUT STARTING AGAIN.

New streets, New routines. New faces. A different rhythm to your mornings and a different view from your front door. At first, even the smallest things can feel unfamiliar.

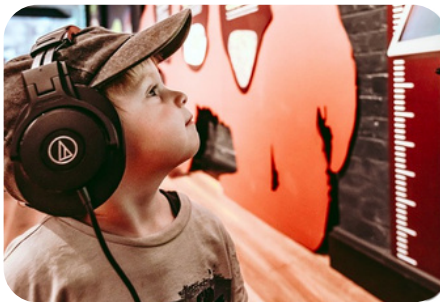

But that's how home begins. One hello at the school gate. One conversation at the local shop. One Saturday at the oval. One new friend. One familiar face that starts smiling when they see you.

The unfamiliar slowly becomes familiar.

FIND YOUR ROUTINE

The first coffee spot. The little routine that slowly becomes yours.

FIND YOUR PLACES

Explore, discover and make memories. New places become part of your story.

FIND YOUR PEOPLE

A smile, a hello, a familiar face — small connections make a new town feel welcoming.

FIND YOUR HOME

FIND YOUR WAY

Roads, fuel, transport and local travel — getting to know warren and finding your way around!

FIND YOUR ESSENTIALS

Shopping, banking, Australia Post, Service NSW, Trades and the everyday things you need.

FIND YOUR PEOPLE

Schools, clubs, community groups, local events and the places that help you feel connected.

HOME ISN'T CREATED THE DAY YOU GET THE KEYS.

It's created in the familiar faces, favourite places, new routines, friendships and memories that come afterwards.

And one day, you realise you stopped settling in.

You are home.

NEW RESIDENTS GUIDE | A great place to live, work & play

FIND YOUR PEOPLE

The best way to feel at home is to get involved.

IT STARTS SMALL.

A hello. A seat.

A reason to come back.

You don't have to know anyone when you arrive. Just give yourself a reason to show up.

YOU CAN KNOW WHERE YOU LIVE WITHOUT KNOWING WHERE YOU FIT.

At first, a new town can feel like a life happening around you. You can unpack the boxes, learn the streets and find the shops — and still feel like you're standing just outside it.

Then something changes.

Someone says hello. Someone remembers your name.

SHOW UP

You don't need to know anyone. Just be willing to walk through the door.

FIND YOUR PEOPLE

Doing things together is how familiar faces become friendships.

STAY FOR THE PEOPLE

Sometimes you join for the activity — and stay because you belong.

START SOMEWHERE. YOU DON'T HAVE TO KNOW EVERYONE. YOU JUST HAVE TO FIND YOUR PEOPLE.

SHOW UP

Go to something, even if you don't know anyone.

JOIN IN

Try something that feels like you.

LEND A HAND

Volunteering can open unexpected doors.

GO BACK

The first time you're new. The next time, you're familiar.

**ONE HELLO CAN BECOME A FRIENDSHIP.
ONE INVITATION CAN BECOME BELONGING.**

You might join for the activity.

You might stay for the people.

WORK LEARN GROW

Build a future, not just a career.

A good place to live should give you somewhere to go — and somewhere to grow.

REAL WORK, REAL SKILLS. REAL OPPORTUNITY.

BUILDING SKILLS • LEARNING • FUTURE

BUILD A FUTURE WITHOUT GIVING UP THE PRESENT.

A good place to live should give you somewhere to go — and somewhere to grow. In Warren, opportunity is part of everyday life, from agriculture and trades to education, local business, health, community services and more. You can build skills, find meaningful work, start something of your own or take the next step in your career, while still having time for the people and life outside of work that matter just as much.

YOUR FUTURE DOESN'T HAVE TO MEAN LEAVING HOME.

WHERE TO START

KEEP GROWING

Learning doesn't stop when school finishes. Education, training, community and new experiences can keep opening doors.

LOOKING FOR WORK?

Check local job boards and online employment websites. Visit local businesses and inquire about opportunities. Speak with local employment services for support and current vacancies. Network through community groups and local events. Seasonal and casual opportunities can also occur in agriculture, hospitality and tourism.

A PLACE FOR FAMILIES

Childhood should have room to grow.

Learn. Play. Grow. Belong.

WHERE CHILDREN GROW UP MATTERS.

It is more than choosing a school or finding childcare. It is choosing the places where your children will make their first friends, discover what they are and build memories they will carry with them.

In Warren, childhood has room to happen. Room to run outside. Room to play after school, Room to know the people around you. Room to try sport, explore new interests and grow up surrounded by community.

ROOM TO LEARN. ROOM TO PLAY. ROOM TO BELONG.

THE LITTLE YEARS MATTER.

For Families, the everyday foundations matter too - education, early learning and care, family support, health service and places to play.

Warren's New Resident Guide connects families with local education, children's services and health services so you can find support you need as your children grow.

LIVE WELL

Good communities look after their people.

HEALTH • WELLBEING • SUPPORT

CARE THAT FEELS HUMAN.

Good care is about people, not just services.

WHEN COMMUNITY MATTERS MOST.

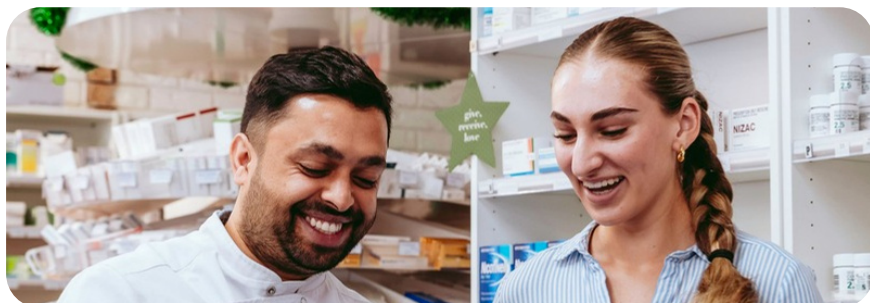

Life doesn't always go to plan. And that's when community matters most. There will be days when you need a doctor. Days when you need someone to check in. Days when your family needs a little extra support, or when getting older means needing a different kind of care.

Living in a good community means knowing you don't have to face those moments alone. In Warren, there are people, places and services here to help you through the different seasons of life — from health care and family support to aged care, home care, dental services and practical help when everyday life becomes a little harder.

But living well is also about the good days.

The afternoon swim. A walk through town. Time at the library. Meeting a friend. Taking the kids to the park. Involved in sport. Finding somewhere to sit, breathe and enjoy the space around you.

SUPPORT FOR THE EVERYDAY — AND THE MOMENTS THAT MATTER

HEALTH IS PART OF DAILY LIFE.

Warren offers health services and practical support across the different seasons of life. From family health and dental care to visiting specialists, aged care, home-care support and Meals on Wheels, there are services here to help people stay well, stay independent and feel supported.

WHEN WARREN STARTS TO FEEL LIKE HOME

One of the best things about Warren is discovering how much of life is waiting outside your front door. When you're new to town, it takes a little while to find your favourite places — the walk you take after work, the spot you visit on a sunny afternoon, or somewhere you can simply slow down and breathe.

Around town there are places to swim, play, walk, explore and spend time together. Beyond town, the Macquarie River, Tiger Bay Wetlands and the wider Macquarie Marshes landscape give you even more room to get outside.

You don't have to wait for a holiday to enjoy it.

LIFE IN WARREN

A small town doesn't mean a quiet life.

**SOMETIMES, YOU DON'T
NEED A BIGGER LIFE.**

**YOU NEED A LIFE THAT
FEELS MORE LIKE YOURS.**

Maybe it's watching your kids ride their bikes home. Knowing the people at the school gate. Having time to sit down for dinner instead of spending the evening in traffic. A quick trip to the shops. A coffee with someone who knows your name. A Saturday morning at the footy. An afternoon at the pool.

It's the little things.

A LIFE THAT FEELS LIKE YOURS.

AND WHEN LIFE GETS DIFFICULT, THAT CONNECTION MATTERS.

The things you don't think you'll miss until you've lived somewhere without them. Someone asks how you're going. Someone lends a hand. Someone remembers your kids. Someone says, "Haven't seen you for a while."

**YOU'RE NOT JUST LIVING AMONG
PEOPLE. YOU'RE LIVING WITH THEM.**

RAISE A FAMILY

Schools, childcare, playgrounds, family support and family-friendly parks give families room to grow.

MAKE TIME FOR PEOPLE

Community spaces, local groups and shared experiences make it easier to connect and feel part of the town.
