2. PRELIMINARY INFORMATION

2.1. Introduction

- 2.1.1. The CCTV system forms part of a package of measures to tackle crime and anti-social behaviour in Warren.

In terms of public safety, correctly designed CCTV systems can be of considerable importance to the effectiveness of police response to crime and antisocial behaviour. It is essential to maintain public trust and confidence in the use of such CCTV systems. The key to maintaining this support is ensuring that CCTV is used responsibly with effective information and privacy safeguards.

- 2.1.2. The area in which the CCTV system operates can be described as Warren CBD, Lions Park, Councils Administration Building and Community Room, Macquarie Park, Warren War Memorial Swimming Pool, Splash Park, Carter Oval Sporting Precinct, Warren Skate Park, Warren Council Works Depot, Showground/Racecourse, Bob Christien Reserve, Ebert Park, Oxley Park, Matthew Collins Walkway, Ravenswood Park, Victoria Park and the Ewenmar Waste Depot.
- 2.1.3. The CCTV System is only one of several initiatives designed to assist in preventing crimes against the person and malicious damage to property in CBD. It is recognised, however, that such crime will never totally be prevented.

2.2. Code of Practice

- 2.2.1. Involvement in any aspect of the System by relevant organisations or individuals will depend upon their willingness to comply with this Code of Practice.
- 2.2.2. This Code of Practice is subject to state and federal law.
